**Harry Botter**

\* a young girl walks, lost and looking frantic in the forest\*

A: What should I do?!

\*singing Harry Potter theme song a boy enters on a broom\*

A: Oh thank god! You must be Harry Pott...

B: No, no, no. I'm Harry Botter!

A: Really? Because you look a lot like Harry Pott...

B: NO! I'm Harry Botter!

A: Oh, okay then....

B: Who are you?

A: Who me? I'm just a pretty girl!

B: Okay \*laughs\* By the way, what are you doing here?

A: \*Remembers\* AHHHHHH!!

B: What?!

A: A very scary monster is chasing me! I've been being chased for about 3 days!

B: Oh really? What does it look like?

A: Well it has a sharp beak, there is a red thing on its head, and it sounds like this \*cries like a chicken\*

B: Oh yeah! I know! That's an elephant!

A: Since you are Harry ...Botter right? Don't you know some spells I can use?

B: You asked the right person young lady! For elephants, "Abracadabra" is a good spell.

A: Wow... it sounds hard, but I'll try it!

B: That's the spirit! Here, I'll even lend you my wand. \*hands the girl a lollipop\*

A: Thanks! \*lick\* Mmm, yum! ....wait! This isn't a wand!

B: Oops! Sorry sorry...my mistake! Here... \*hands the girl a baguette\*

A: \*laughs\* No no no

B: \*hands over the real wand\* Ahhh, this is it!

A: Wow! I've never seen a real wand before!

B: Just so you know, the wand won't work unless you say the spell right!

A: Got it! I'll go practice now!

B: I'll teach you again tomorrow so come back to this spot.

A: Okay! See you tomorrow then!

\*the girl leaves the stage\*

B: Little does she know, I can't use magic! I'm just a very handsome boy who pretends to use magic because I like the fashion! \*flare\*

\*the boy leaves the stage\*

THE NEXT DAY

\*the girl is practicing in the woods\*

B: I see you have been practicing a lot.

A: You scared me!! Yeah I have been practicing, but I can't seem to do it!!

B: Hmmm, can you show me what you've been doing?

A: \*points wand\* Abracadabra!

B: Ahh that's why it doesn't work! You are saying it all wrong! It's Abracadabra \*says it weirdly\*

A: That's so hard to say! What should I do?!

\*chicken cries\*

A&B: Elephant \*looks at each other\*

B: I'll go check what it's up to! \*looks for the monster\* OH MY GOD \*falls down in fear\*

A: Oh no! Harry Potter sounds like he's in trouble! \*find Harry being attacked and fighting off the chicken\* ABRACADABRA!!

B: Phew! You saved me! Thanks.

A: Why didn't you defend yourself?

B: Uhhh... I only had this \*pulls out the baguette\*

A: Oh well, we did it!! No more monsters chasing us now!

\*an elephant cries\*

A: I know that sound

A&B: \*looks at each other\* CHICKEN! \*runs off stage\*
